WOOD LAKE IS THE STORY COMPANY.

It has told:

• The story of the seasons of the earth, the people of God, and the place and purpose of faith in the world
• The story of the faith journey, from birth to death
• The story of Jesus and the churches that carry his message.

Wood Lake has been telling stories for more than 35 years. During that time, it has given form and substance to the words, songs, pictures and ideas of hundreds of storytellers.

Those stories have taken a multitude of forms – parables, poems, drawings, prayers, epiphanies, songs, books, paintings, hymns, curricula – all driven by a common mission of serving those on the faith journey.

**I have enjoyed using Seasons of the Spirit for several years. I usually read through the materials for several weeks, or a season together with Gathering (United Church of Canada). Then I have some ideas by the time I get to each individual Sunday. Both my congregations follow the lectionary most of the time, so being prepared is helpful. I like the format - with a page to make notes on first read-through, followed by the notes about each scripture reading. I use the questions from Reflecting on the Word to help me dive more deeply into the scriptures. I often use one or more of the prayers provided, and also appreciate the various suggestions for presenting the scripture reading. I also appreciate the extra readings/articles that pertain to the focus scripture. Although my churches use a traditional style of worship I read through the Living, Learning, Growing ideas to supplement my own sermon preparation, and occasionally find an option to include in worship. Thank you for this great worship leader resource.**

The Season of Creation

When you buy Seasons of the Spirit resources you receive 52 weeks of material based on the Revised Common Lectionary (RCL).

Seasons of the Spirit celebrates the Season of Creation during the first four weeks of September (Sep 6–Sep 27). Resources for the Season of Creation are based on scripture texts from the three-year Season of Creation cycle of readings.

The Season of Creation
The readings for the Season of Creation invite congregations to join with all members of Earth’s community to “celebrate Earth as a sacred planet filled with God’s vibrant presence” (from Season of Creation charter). In 2020, the four Sundays in the Season of Creation focus on Ocean, Fauna and Flora, Storm, and Cosmos.

Revised Common Lectionary resources for the first four weeks of September
Seasons of the Spirit also provides RCL resources for the first four weeks in September. These resources follow the SeasonsFUSION format, and weekly session flow. Suggestions are provided to help SeasonsENCORE users adapt the materials to the needs of their particular group(s).

These alternative RCL resources for September are available online only and can be accessed by any Seasons Leader using PRINT, DISK, or WEB delivery. Instructions for how to access the online RCL materials are included in the Season of Creation PRINT resources, and are automatically included with the DISK and WEB resources.

I have been blessed by this resource, Fusion, even as it has shaped and shifted to respond to new and changing needs in education. I graduated from ANTS and I was introduced to it in seminary. Now some 28 years later, I continue to use it and have shared it with others.

ADULT
Adults enter Bible study from a variety of backgrounds and beliefs. Sessions invite adults to deepen their spirituality and explore their faith through activities and articles that encourage a rich engagement with all four of the weekly lectionary readings. Art images, contemporary writings, and consideration of current issues offer meaningful ways to link faith and life.

The SeasonsENCORE Adult is a great resource for your next study group!

AGES 15-18
This resource promotes the development of leadership skills and encourages young people to serve in the local and global ministries of the church. A “Digging Deeper” section offers groups that enjoy discussion a chance to explore some themes in greater depth. Leaders will find the Ages 15-18 resource perfect for midweek gatherings, retreats, worship leadership, and outdoor ministry programs.

AGES 12-14
Young teens enjoy self-directed learning. Friendships are important to them and they are beginning to explore a variety of viewpoints within their community and the world. The weekly resources provide opportunities to actively explore the Bible and encourage the development of communication skills. Varied activities meet the needs of different learning styles, and service projects introduce ways to connect with the church and the community.

AGES 9-11
These children enjoy making new friends and typically have the confidence to work in groups. The weekly resources encourage them to use their imaginations and life experiences as they develop biblical knowledge, ask questions, and explore the faith traditions of others. Group projects introduce them to issues of justice and fairness.

AGES 6-8
Weekly resources begin to address the more abstract thinking skills of children in the early grades of school. Leaders will find easy-to-use dramas, stories, and activities that connect with real life and the eager minds of this enthusiastic group. Spiritual development is nurtured through ritual and encouraging relationships with peers and adults.

The SeasonsENCORE Ages 6-8 Poster Set includes special Story Props posters exclusive to this age group for each quarter.

AGES 3-5
Children in this age range learn through hands-on activities and enjoy routines and rituals. Their developing motor skills are encouraged in the sessions with songs, fingerplays, group activities, and simple craft projects. The weekly material uses interactive storytelling, puppets, drama, and art images to explore Bible stories.

For each season, the Ages 3-5 Poster Set also includes special Storytelling Resource posters exclusive to this age group. And, we provide a free online Age 3 Supplement, for those leaders with a group of mostly 3-year-olds!

MULTIAGE
The SeasonsENCORE Multiage resource is uniquely designed to meet the needs of a leader with a single group of up to 15 children between the ages of 5 and 12. The Multiage resource offers different age-appropriate options for engaging with the biblical stories and provides additional reproducible resource sheets. The Respond section includes “activity zones” that address different ages, interests, learning styles, and abilities. For example, children can choose between an Art zone, Music zone, Outreach zone, or Quiet zone.

This group will also experience storytelling scripts, self-directed learning, and relationships with children of different ages as they create community, sharing time and space each week.

REVELATION
A Seven Session Study Guide
Seven-session study guide that invites readers to explore Revelation as a fun, hope-filled book that contains a lot of fanciful imagery and symbolic references, to be sure, but that, at its core, offers words of assurance and hope to people today. | $14.95

BIRTH OF JESUS
A Five Session Study Guide
To some extent, each of us fashions our own version of the “Christmas story.” Over time, as our associations and identification with that story grow, it can feel very uncomfortable and even disrespectful to disrupt or question that story. And yet these reactions can be instructive, for they beg larger questions about what’s really important: the biblical narratives; or the traditions that have gathered around them, layered them, and at times obscured them; or the meaning all of this may have for your lives today? | $14.95

IS THAT STORY TRUE?

BIBLE STUDIES
for Progressive Christians
by Donald Schmidt

DEATH OF JESUS
A Five Session Study Guide
The resurrection of Jesus is, of course, the most important event for Christians, yet the events that led up to it are almost as important. According to all the biblical sources and a wide variety of non-biblical texts, Jesus was put to death because the message he brought threatened the powerful of his era. There are many more nuances than that, of course. | $14.95

EASTER
A Five Session Study Guide
This guide does not set out to “prove” or “disprove” that Jesus physically rose on Easter Sunday. Instead, it invites participants to engage with the biblical stories of Christ’s resurrection to try to understand what the gospel writers meant to tell us, what they wanted us to take from these stories. They did not set out to prove a point of history; they wrote them down because these stories had transformed their own lives, and the lives of many others at the time. | $14.95
