

April 2023

Dear Loyal Wood Lake Customers,

After almost 41 years of publishing quality resources serving our customers in Canada and throughout the world, it is with much sadness that Wood Lake has had to make the tough decision to discontinue publishing books and curriculum. We had hoped that following the pandemic we would see a return to sales similar to 2019, but due to a softening of the market and a less than anticipated return of orders, that hasn't happened. We don't have the resources to continue as we did, but that doesn't mean we can't continue to hold up the legacy of our best sellers and of our history!

Until the end of May, we will continue to sell our printed books, while quantities last, with no returns or refunds. Throughout June we will be packing up and moving to continue work, although on a much smaller scale, from home.

We will continue to sell *Seasons of the Spirit* for the Season of Creation/ Pentecost 2 season – in web-delivery version only. Wood Lake has an excellent reputation for quality customer service – and that will continue for as long as we can. We hope to continue selling ebooks and other downloadable products that do not require warehousing for the foreseeable future.

This was a very difficult decision to close our office and clear out our physical inventory. The past few years have forced all of us to examine how we live our lives, how we interact with each other, how we work and communicate, how we conduct our affairs, and how we can best meet the challenges of the future. This is how we have to move forward. All of us at Wood Lake want to thank you, our loyal customers, for supporting our endeavours over the last nearly 41 years.

Blessings,

Patty Berube and
